Sharph Driviel a Swale Person	
whose addresss is 130 K(19 + DDE+ SHEEL FOR U). and, DALE PROPERTY SERVICES, L.L.C., 2100 Ross Avenue, Suite 1870 Dallas Texas 75201, as hereinabove named as Lessee, but all other provisions (including the completion of blank spaces) were pure in the consideration of a cash bonus in hand paid and the covenants herein contained, Lesson described land, hereinafter called leased premises:	prepared jointly by Lessor and Lessee.
	, BLOCK 8 ADDITION, AN ADDITION TO THE CITY OF ACCORDING TO THAT CERTAIN PLAT RECORDED RECORDS OF TARRANT COUNTY, TEXAS.
in the County of Tarrant, State of TEXAS, containing gross acres, more or less (reversion, prescription or otherwise), for the purpose of exploring for, developing, producing and mar substances produced in association therewith (including geophysical/seismic operations). The term commercial gases, as well as hydrocarbon gases. In addition to the above-described leased premises land now or hereafter owned by Lessor which are contiguous or adjacent to the above-described lease Lessor agrees to execute at Lessee's request any additional or supplemental instruments for a more conformation of the amount of any shut-in royalties hereunder, the number of gross acres above specified	n "gas" as used herein includes helium, carbon dioxide and other s, this lease also covers accretions and any small strips or parcels of a premises, and, in consideration of the aforementioned cash bonus, inplete or accurate description of the land so covered. For the purpose
2. This lease, which is a "paid-up" lease requiring no rentals, shall be in force for a primary term of as long thereafter as oil or gas or other substances covered hereby are produced in paying quantities for otherwise maintained in effect pursuant to the provisions hereof. 3. Royalties on oil, gas and other substances produced and saved hereunder shall be paid by Lessor at the wellhead or to Lessor's credit at the oil purchaser's transportation facilities, provided that the wellhead market price then prevailing in the same field (or if there is no such price then prevailing prevailing price) for production of similar grade and gravity; (b) for gas (including casing head grade) in production, severance, or other excise taxes and the costs incurred by Lessee (including casing head grade). Lessee shall have the continuing right to purchase such production at the prevailing wellhead market price such price then prevailing in the same field, then in the nearest field in which there is such a prevail the same or nearest preceding date as the date on which Lessee commences its purchases hereunder; more wells on the leased premises or lands pooled therewith are capable of either producting oil or gas are waiting on hydraulic fracture stimulation, but such well or wells are either shut-in or production there be deemed to be producing in paying quantities for the purpose of maintaining this lease. If for a park there from is not being sold by Lessee, then Lessee shall pay shut-in royalty of one dollar per acre if Lessor's credit in the depository designated below, on or before the end of said 90-day period and then while the well or wells are shut-in or production there from is not being sold by Lessee; provided that if it is being sold by Lessee from another well or wells on the leased premises or lands pooled therewith, if following cessation of such operations or production. Lessee's failure to properly pay shut-in royalty s terminate this lease. 4. All shut-in royalty payments under this lease shall be paid or te	essee to Lessor as follows: (a) For oil and other liquid hydrocarbons %) of such production, to be delivered at Lessee's option to Lessee shall have the continuing right to purchase such production at g in the same field, then in the nearest field in which there is such a as) and all other substances covered hereby, the royally shall be e sale thereof, less a proportionate part of ad valorem taxes and g or otherwise marketing such gas or other substances, provided that ice paid for production of similar quality in the same field (or if there is ling price) pursuant to comparable purchase contracts entered into on ; and (c) if at the end of the primary term or any time thereafter one or or other substances covered hereby in paying quantities or such wells from is not being sold by Lessee, such well or wells shall nevertheless and of 90 consecutive days such well or wells are shut-in or production then covered by this lease, such payment to be made to Lessor or to reafter on or before each anniversary of the end of said 90-day period this lease is otherwise being maintained by operations, or if production no shut-in royalty shall be due until the end of the 90-day period next shall render Lessee liable for the amount due, but shall not operate to a credit in at lessor's address above or its successors, which shall d. All payments or tenders may be made in currency, or by check or by speed envelope addressed to the depository or to the Lessor at the last seeded by another institution as depository agent to receive payments. ducing in paying quantities (hereinafter called "dry hole") on the leased entity ceases from any cause, including a revision of unit boundaries event this lease is not otherwise being maintained in force it shall not or gas or other substances covered hereby, as long thereafter as pletion of a well capable of production in drilling, reworking or any other ce so long as any one or more of such operations are prosecuted with oil or gas or other substances covered hereby, as long thereafter as ple
additional wells except as expressly provided herein. 6. Lessee shall have the right but not the obligation to pool all or any part of the leased premised depths or zones, and as to any or all substances covered by this lease, either before or after the conproper to do so in order to prodently develop or operate the leased premises, whether or not similar pool unit formed by such pooling for an oil well which is not a horizontal completion shall not exceed 80 acre horizontal completion shall not exceed 640 acres plus a maximum acreage tolerance of 10%; provided the completion to conform to any well spacing or density pattern that may be prescribed or permitted by any of the foregoing, the terms "oil well" and "gas well" shall have the meanings prescribed by applicable its prescribed, "oil well" means a well with an initial gas-oil ratio of less than 100,000 cubic feet per barrel a feet or more per barrel, based on 24-hour production test conducted under normal producing condequipment; and the term "horizontal completion" means an oil well in which the horizontal component component thereof. In exercising its pooling rights hereunder, Lessee shall file of record a written dereworking operations on the leased premises, except that the production on which Lessor's royalty is conducted in the unit bears to the total gross acreage in the unit Lessee. Pooling in one or more instances shall not exhaust Lessee's pooling rights hereunder, and Le unit formed hereunder by expansion or contraction or both, either before or after commencement of prescribed or permitted by the governmental authority having jurisdiction, or to conform to any product making such a revision, Lessee shall file of record a written declaration describing the revised unit and leased premises is included in or excluded from the unit by virtue of such revision, the proportion of unit be adjusted accordingly. In the absence of production in paying quantities from a unit, or upon permane	as or interest therein with any other lands or interests, as to any or all immencement of production, whenever Lessee deems it necessary or oling authority exists with respect to such other lands or interests. The esplus a maximum acreage tolerance of 10%, and for a gas well or a that a larger unit may be formed for an oil well or gas well or horizontal y governmental authority having jurisdiction to do so. For the purpose aw or the appropriate governmental authority, or, if no definition is so and "gas well" means a well with an initial gas-oil ratio of 100,000 cubic ditions using standard lease separator facilities or equivalent testing of the gross completion interval in facilities or equivalent testing of the gross completion interval in the reservoir exceeds the vertical claration describing the unit and stating the effective date of pooling, leased premises shall be treated as if it were production, drilling or alculated shall be that proportion of the total unit production which the it, but only to the extent such proportion of unit production is sold by issee shall have the recurring right but not the obligation to revise any production, in order to conform to the well spacing or density pattern tive acreage determination made by such governmental authority. In stating the effective date of revision. To the extent any portion of the it production on which royalties are payable hereunder shall thereafter ant cessation thereof, Lessee may terminate the unit by filling of record

7. If Lessor owns less than the full mineral estate in all or any part of the leased premises, the royalties and shut-in royalties payable hereunder for any well on any part of the leased premises or lands pooled therewith shall be reduced to the proportion that Lessor's interest in such part of the leased premises bears to the full mineral esti-

of the leased premises or lands pooled therewith shall be reduced to the proportion that Lessor's interest in such part of the leased premises.

8. The interest of either Lessor or Lessee hereunder may be assigned, devised or otherwise transferred in whole or in part, by area and/or by depth or zone, and the rights and obligations of the parties hereunder shall extend to their respective heirs, devisees, executors, administrators, successors and assigns. No change in Lessor's ownership shall have the effect of reducing the rights or enlarging the obligations of Lessee hereunder, and no change in ownership shall be binding on Lessee until 60 days after Lessee has been furnished the original or certified or duly authenticated copies of the documents establishing such change of ownership to the satisfaction of Lessee or until Lessor has satisfied the notification requirements contained in Lessee's usual form of division order. In the event of the death of any person entitled to shut-in royalties to the credit of decedent or decedent's estate in the depository designated above. If at any time two or more persons are entitled to shut-in royalties hereunder, Lessee may pay or tender such shut-in royalties to such persons or to their credit in the depository, either jointly or separately in proportion to the interest which each owns. If Lessee transfers its interest hereunder in whole or in part Lessee shall be relieved of all obligations thereafter arising with respect to the transferred interest, and failure of the transferee to satisfy such obligations with respect to the transferred interest shall not affect the rights of Lessee with respect to any interest not so transferred. If Lessee transfers a full or undivided interest in all or any portion of the area covered by this lesse, the obligation to pay or tender shut-in royalties hereunder shall be divided between Lessee and the transferree in proportion to the net acreage interest in this lease then held by each.

pay or tender shut-in royalties hereunder shall be divided between Lessee and the transferee in proportion to the net acreage interest in this lease then held by each.

9. Lessee may, at any time and from time to time, deliver to Lessor or file of record a written release of this lease as to a full or undivided interest in all or any portion of the area covered by this lease or any depths or zones there under, and shall thereupon be relieved of all obligations thereafter arising with respect to the interest so released. If Lessee releases all or an undivided interest in less than all of the area covered hereby, Lessee's obligation to pay or tender shut-in royalties shall be proportionately reduced in accordance with the net acreace interest actions thereafter.

in accordance with the net acreage interest retained hereunder.

If Lessee releases all or an undivided interest in less than all of the area covered hereby, Lessee's obligation to pay or tender shul-in royalties shall be proportionately reduced in accordance with the net acreage interest retained hereunder.

10. In exploring for, developing, producing and marketing oil, gas and other substances covered hereby on the leased premises or lands pooled or unitized herewith, in primary and/or enhanced recovery, Lessee shall have the right of ingress and egrees along with the right to conduct such operations on the leased premises as may be reasonably necessary for such purposes, including but not limited to geophysical operations, the drilling of wells, and the construction and use of roads, canals, pipelines, tanks, water wells, disposal wells, injection wells, pits, electric and tolephone lines, power stations, and other facilities deemed necessary by Lessee to discover, produce, store, treat and/or fransport production. Lessee may use in such operations, free of cost, any oil, gas, water and/or other substances produced on the leased premises except water from Lessor's wells or ponds. In exploring, developing, producing or marketing from the leased premises or lands pooled therewith, the ancillary lights granted herein shall apply (a) to the entire leased premises described in Paragraph 1 above, notwithstanding any partial release or other partial termination of this lease; and (b) to any other lands in which Lessor now or hereafter has authority to grant such rights in the vicinity of the leased premises or lands pooled therewith. When requested by Lessor in writing, Lessee shall bury its pipelines below ordinary plow depth on cultivated lands. No well shall be located less than 200 feet from any house or barn now on the leased premises or other lands, and to be commercial timber and growing crops thereon. Lessee shall have the right at any time to remove its fixtures, equipment and materials, including well-raised by the such laws, rules, regulations or orders, or by inabili

13. No litigation shall be initiated by Lessor with respect to any breach or default by Lessee hereunder, for a period of at least 90 days after Lessor has given Lessee written notice fully describing the breach or default, and then only if Lessee fails to remedy the breach or default, within such period. In the event the matter is litigated and there is a final judicial determination that a breach or default has occurred, this lease shall not be forfeited or canceled in whole or in part unless Lessee is given a reasonable

time after said judicial determination to remedy the breach or default and Lessee fails to do so.

14. For the same consideration recited above, Lessor hereby grants, assigns and conveys unto Lessee, its successors and assigns, a perpetual subsurface well bore easement under and through the leased premises for the placement of well bores (along routes selected by Lessee) from oil or gas wells the surface locations of which are situated on other tracts of land and which are not intended to develop the leased premises or lands pooled therewith and from which Lessor shall have no right to royalty or other benefit. Such subsurface well bore easements shall run with the land and survive any termination of this lease.

15. Lessor hereby warrants and agrees to defend title conveyed to Lessee hereunder, and agrees that Lessee at Lessee's option may pay and discharge any taxes, nortgages or liens existing, levied or assessed on or against the leased premises. If Lessee exercises such option, Lessee shall be subrogated to the rights of the party to whom payment is made, and, in addition to its other rights, may reimburse itself out of any royalties or shul-n royalties otherwise payable to Lessor hereunder. In the event Lessee is made aware of any claim inconsistent with Lessor's title, Lessee may suspend the payment of royalties and shut-in royalties hereunder, without interest, until Lessee has been furnished satisfactory evidence that such claim has been resolved.

16. Notwithstanding anything contained to the contrary in this lease, Lessee shall not have any rights to use the surface of the leased premises for drilling or other

17. This lease may be executed in counterparts, each of which is deemed an original and all of which only constitute one original.

DISCLAIMER OF REPRESENTATIONS: Lessor acknowledges that oil and gas lease payments, in the form of rental, bonus and royalty, are market sensitive and may vary depending on multiple factors and that this Lease is the product of good faith negotiations. Lessor understands that these lease payments and terms are final and that Lessor entered into this lease without duress or undue influence. Lessor recognizes that lease values could go up or down depending on market conditions. Lessor acknowledges that no representations or assurances were made in the negotiation of this lease that Lessor would get the highest price or different terms depending on future market conditions. Neither party to this lease will seek to alter the terms of this transaction based upon any differing terms which Lessee has or may negotiate with any other lessors/oil and gas owners.

IN WITNESS WHEREOF, this lease is executed to be effective as of the date first written above, but upon execution shall be binding on the signatory and the signatory devisees, executors, administrators, successors and assigns, whether or not this lease has been executed by all parties hereinabove named as Lessor.
